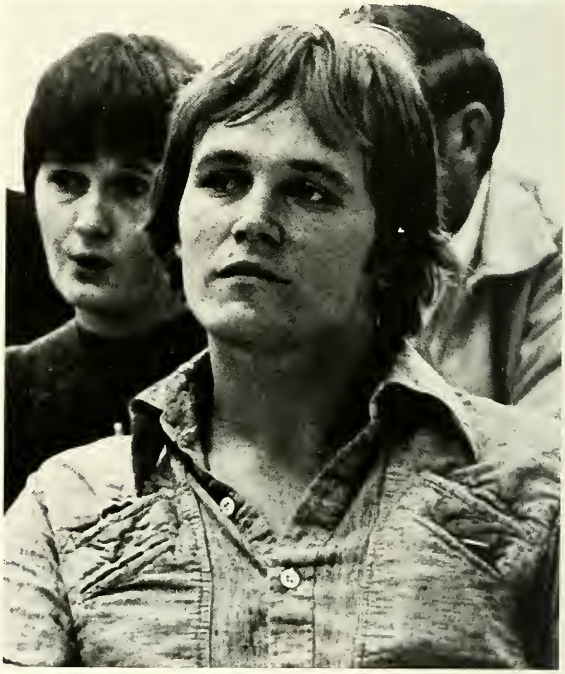
Augusta, Georgia

IN TRYING TO FIND MYSELF, I HAVE FOUND OTHERS. IN THE QUEST OF MY IDENTITY I HAVE REACHED NEW HEIGHTS. IN SEARCHING FOR A REASON I NOW SEE AN ATTAINABLE GOAL.

LIKE FIGURES IN A
MIRROR, WE ARE
DIFFERENT BUT
THE SAME.
WE FACE EACH
OTHER AS OPPOSITE
TWINS WITH THE
MIRROR AS THE
BOND IN BETWEEN.
THE ANSWER TO OUR
QUESTIONS LIES IN
THE DIFFERENCE,
AND IN OURSELVES,
AND IN WHAT WE
DO AND DREAM.

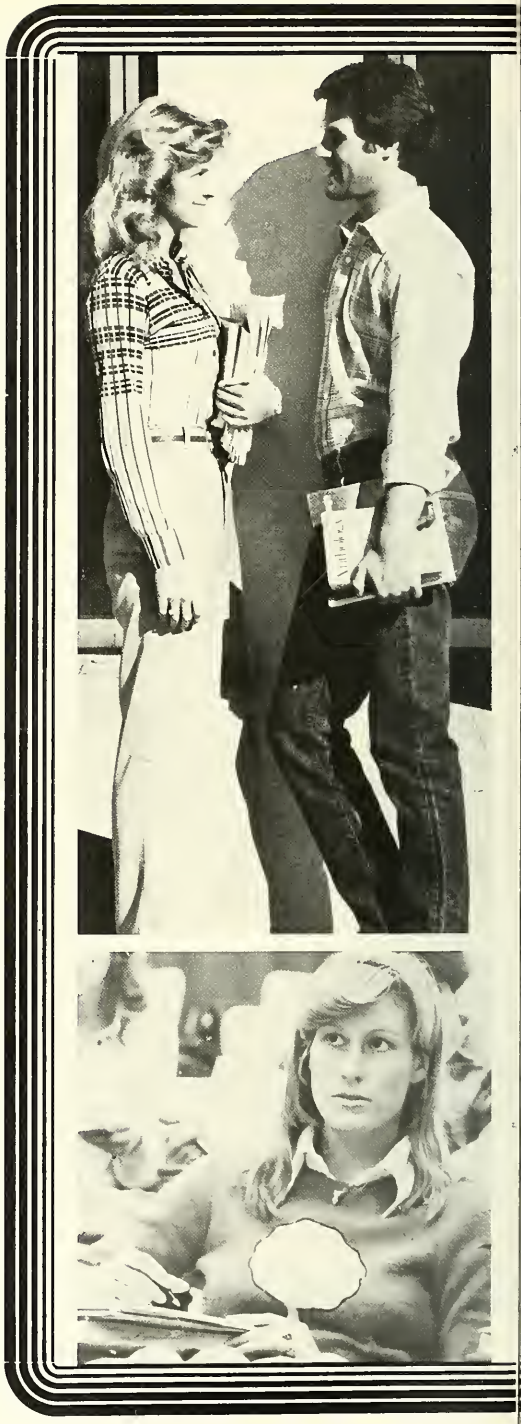
55

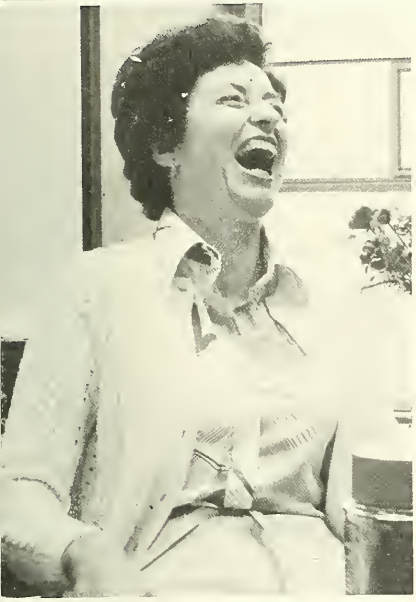
THE ROAD TO TRUTH IS OUR YOUTH AND OUR VOICE, OUR THOUGHTS TODAY ARE TOMORROWS HISTORY.



LIFE IS MORE THAN
A CONTINUAL
EXISTENCE.
LIFE IS FILLED
WITH LAUGHTER,
SORROW, PASSION,
AND PAIN.
IT IS WITH
EXPERIENCE
THAT WE HUNT
FOR OURSELVES.

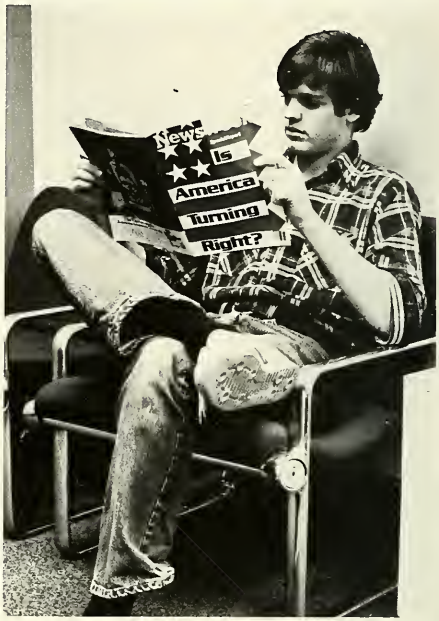
WE ARE ALL JUST PROTOPLASMS, HUNGRY FOR LIFE. ONLY SUCCESS CAN QUENCH OUR THIRST.

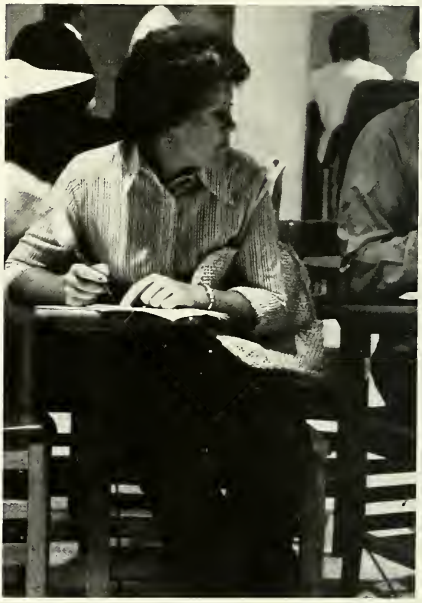


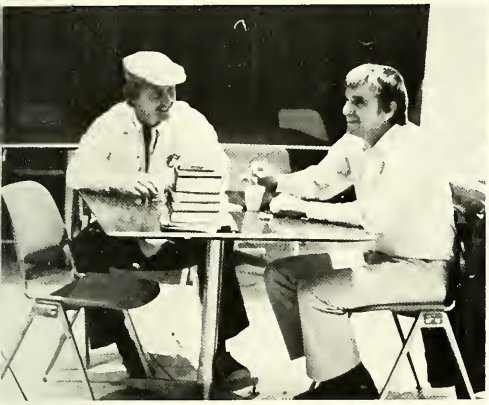


SOME OF US
WILL ALWAYS
STAND OUT
IN A CROWD,
BUT OTHERS
WILL ALWAYS
MAKE UP
THAT CROWD.

THAT REALIZATION OF OUR IDENTITY IS THE ULTIMATE OUTCOME. CONTENTMENT IS PERCEIVED BY ONE'S OWN AMBITION.







BUT WE ARE OUR
OWN FOCAL POINT.
WE ARE EACH
TRULY THE
CENTER OF OUR
UNIVERSE.

It does not attempt to create a protective environment for students, Rather, it seeks to gather the Christian community into meaningful fellowship and send the student back into the school more involved in it's life than ever before. Central in the perspective of the Baptist Student Union is the desire to communicate the Gospel to those who are outside the community of faith. All students interested are invited to share in this Christian fellowship group whether they are Baptist or not.

This year they are participating in the Mother's March of Dimes to raise money needed to fight birth defects. They sponsor an impact team every year in conjunction with the Medical College to raise money to send students to missionaries during the summer. Student Government Association

CHARTERED: FALL, 1958

PURPOSE Other than fighting for truth, justice, and the American Way, the Augusta College S.G.A. has become increasingly entangled in student-life at Augusta College.

Changes in our orientation program involve placing a greater emphasis on Special Studies, the Library, and "How-to-Study." The Student Buying Power Card has helped students save a few more pennies. We were fortunate that Santa Claus had decided to resurface our tennis courts. A Student-Liason program was initated in January to allow High-Schoolers to view college students "in action." In addition, the English department has proposed new minor concentrations in drama and in communications. Through the generosity of the Dean of Students and the Comptroller, the major entertainment budget of the Student Union was increased by $3000. To help it run more effectively, the S.G.A. sponsored a Leadership Workshop in January. And last but not least, the S.G.A. initiated a vending refund service for night students. These are about one-half of the items in which the Augusta College S.G.A. has been involved.

As we go out from A.C. to explore new worlds and galaxies, we wish peace, prosperity, and happiness for everyone as they venture into the real world.

DEBRA MOOREHEAD FOR TREASURER
MARIE KUHLKE FOR SECRETARY

To Our Fellow Students:

As candidates for the executive offices of the Student Government Association, we are making our platform known to the student body of Augusta College. We will encourage greater student participation enabling the SGA to be more sensitive to students' needs. We pledge continued improvement of the academic and social environments around campus.

Those ideas for which we stand are:

I. Initiation of a speed reading course.
II. Initiation of a "How to Study" course.
III. Establishment of a journalism minor.
IV. Construction of adequate facilities for the disabled students.
V. Adequate food and refund service for the night students.
VI. Dining area facilities for the weekend students.
VII. Placement of picnic tables around campus.
VIII. Renewal of bid for new tennis courts.
IX. Initiation of a "Practical Experience" program with the greater community.
X. Improved parking facilities.
XI. A quarterly letter to the parents of the entering freshmen consisting of information concerning college studying habits.

For further explanation, please read on.

Explanation of our ideas:

I.-II. For the academic benefit of the student, we would like to see initiated at Augusta College a speed reading course, and a "How to Study" course. We feel that such courses would provide an invaluable tool to the student pursuing a college career.

III. We hope to significantly improve the quality of the writing in the Bellringer by instituting a journalism minor at Augusta College.

IV. Of major concern to us is the lack of ramps and rails for the students confined to wheelchairs. We pledge to work for the construction of adequate ramps and facilitation to alleviate this problem from our campus.

V. We would like to see improved and extended cafeteria service made available to the night students by reshuffling student funds. We would also like to place sign-up sheets at various vending locations making refunds more available to the night students.

VI. A problem we wish to solve for the weekend students deals with the lack of dining area containing tables and chairs. We feel that with a minimum of effort, the faculty lounge in Butler Hall adjacent to the snack bar, could be turned into a weekend dining area for students use.

VII. Since we do have many days of fair weather, we feel that the placement of picnic tables in select spots around campus would provide an added convenience where students could eat, relax, and study.

VIII. As you know, one of the perennial campaign promises at Augusta College involves the acquisition of new tennis courts. In the spirit of the past, we feel that it is our duty to renew the age old quest for new tennis facilities.

IX. We seek to establish a "Practical Experience" program for persons in their freshman and sophomore years. This program would allow the student to view his "goals" in the "real" world, thus allowing him to more positively decide on the major of his choice. We hope that this program will eliminate the "trapped senior" syndrome.

X. Improved parking is perhaps one of the more difficult problems we hope to solve in our platform. Without promising results, we pledge to do our best in this problemed area.

XI. We feel that a very tactful letter written to entering freshmen's parents would aid the parents understanding of the amount of studying an incoming freshman is requied to do.

Louis R. Navarro III

David Rainey, Steve Green, Karen Crane, Mari Roukoski

Steven Neck, Jamie Casey, Susan Pell, Ron Irick

Robin Grace, Teresa Long, Craig Doolittle, Alice deSaavedra

There were a total of 14 people running for president, Vice-president, secretary, and treasurer of SGA for the '78 - '79 school year. These people (and other sundry campaign workers), pestered you from one end of campus to another. The tenth time you heard, "Vote for !" (fill in the blank), you were gonna kill.

Every candidate knew he or she was best qualified for the job. Every candidate knew that, once elected, he or she could keep every serious and rash promise made. Every candidate hoped the A.C. student body had sense enough to vote the right way.

Jamie Casey beat out Alice deSaavedra, Steve Green, and Louis Navarro by 39 votes for the office of president. Craig Doolittle led the race for vice-president, winning by 2 votes over Ron Irick, Mari Roukouski, and Gerald Caldwell (who?). Teresa Long, with 368 votes, coasted into the position of secretary, thawrting Karen Crane and Steve Neck. Finally, Robin Grace was victorious, beating Susan Pell and David Rainey by 48 votes.

Congratulations to the winners. To the losers — at least you had the guts to run.

Pete Eason is a 5'10" Senior Guard from Waterbury, Connecticut. Pete was second in scoring with 449 points in 25 games which gave him an average of 17.9 for the season. Pete also gave an incredible performance at the charity line all year long and produced an 81.1% average by

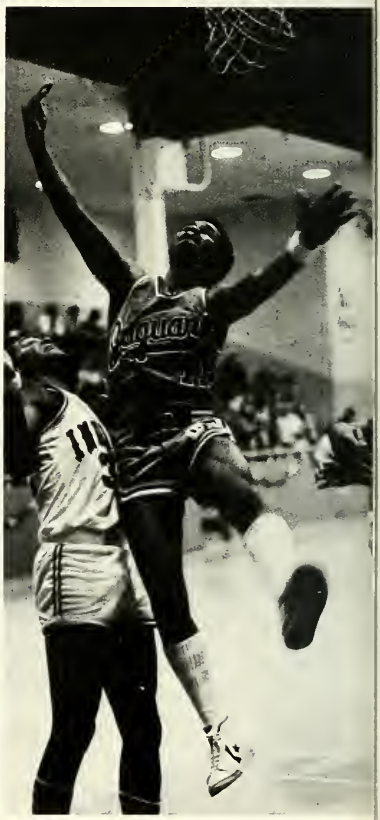
RICHARD TRANUM



making 95 free throws out of 117. "Sweet Pete" played his final game for Augusta College on March 4, 1978 in the District Tournament Championships. He proved that he still was his old self by firing 33 points to end his College career. For the past two years Pete's quickness, shooting ability, and knowledge of the game made him an asset to the Augusta College team.

Richard Tranum is a 6'6" Senior Forward from Augusta, Georgia. Rich is the only four year Jaguar on the team. He played 25 games this year and scored 169 points averaging 6.7 for the season. Over the past four years for the Jags Rich has played in 90 games in which he has scored 810 points for an average of 9.0 points per game. He has pulled down 529 rebounds for the Jags also. Rich was an asset to the Augusta College Basketball team and he will be missed by many.

Darrell Holder is a 6'6" Sophomore Forward from Brooklyn, New York. Darrell, better known as "Doctor D", had a great year. He led the team in scoring, with 494 points in 28 games which gave him an average of 17.6 per game. He was also tough on the backboards as he pulled down 244 rebounds for the season. He held the lead in blocked shots this year, as he stuffed the ball back into the oppon-

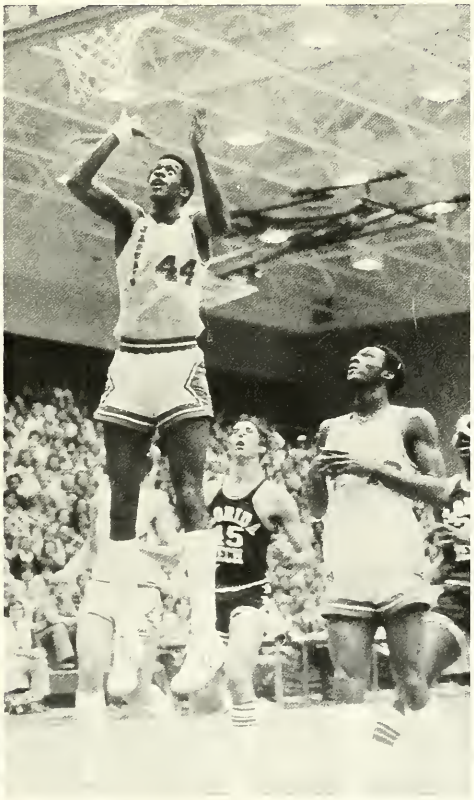
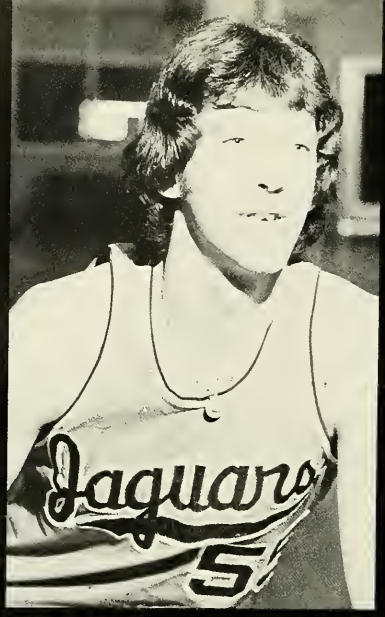
ents face 55 times. Darrell was named to the All Conference Team, the SAC Tournament Team, the Tip Off Tournament Team, where he also got Most Valuable Player, and to the Christmas Tournament Team. Darrell has been a great asset to the Augusta College Team and the fans should look forward to another year with Doctor D.

Courtney Adams is a 6'4" Junior Forward from Cleveland Heights, Ohio. Courtney, transferring from Hilbert Junior College, came to Augusta College ready to work and he did not waste any time. He was the third leading scorer for Jags, scoring 406 points and averaging 14.5 per game. He not only proved himself on offense, but his defense was outstanding also. He pulled down 242 rebounds and he snatched the ball from the opponents 46 times. Courtney's year ended with a bang as he gained a spot on the District Tournament Team. Courtney will return to the Jaguar team next year and the fans should be looking forward to another great season.

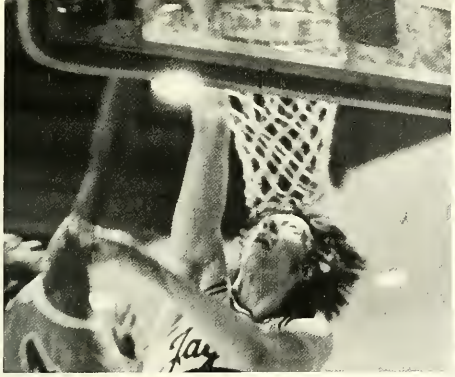




EDDY MENS

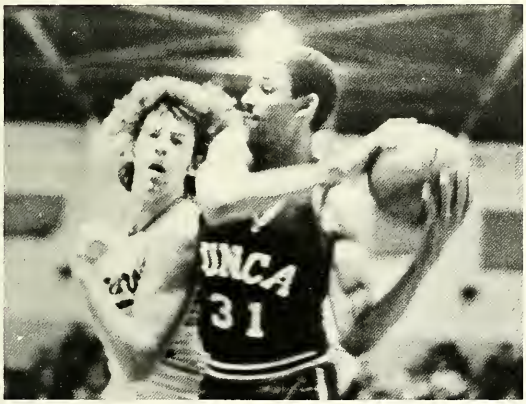
Eddy Mens is a 6'8" Sophomore Center from Antwerp, Belgium. Eddy has been strong help for the Jags offensively and defensively. This year he scored 351 points in 28 games to earn an average of 12.5 for the season. His help on defense was apparent as he pulled down 271 rebounds to lead the team on the backboards. Eddy was

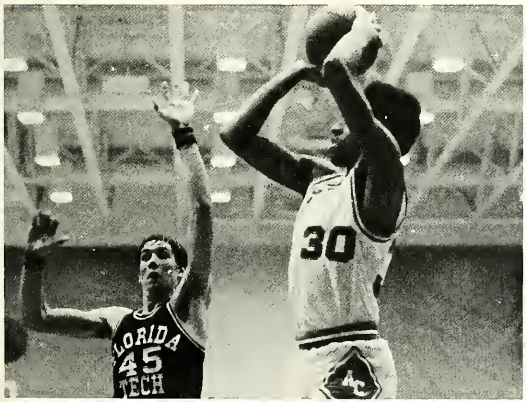
SHAUN BRADLEY

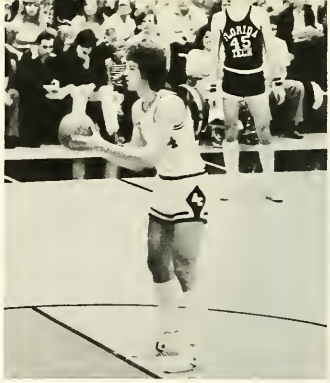


also quick to steal the ball from the opponents as he did 41 times. In the Christmas Tournament Eddy was named to the All Tournament Team and he was also named Most Valuable Tournament Player. With players like Eddy returning next year how can the Jags lose.

Shaun Bradley is a 6'5" Junior Forward- Guard from Highland Park, Michigan. The first sentence should give away what an outstanding player Shaun is because it shows that he plays both forward and guard. Shaun, early in the season, was plagued by an ankle injury which kept him out of ten games. He did not let the injury stop his progress for long as he came back and played at the end of the season. He scored 202 points in 18 games to earn an average of 11.2 for the season. Shaun will return next year and he should be even stronger on his offensive and defensive moves.



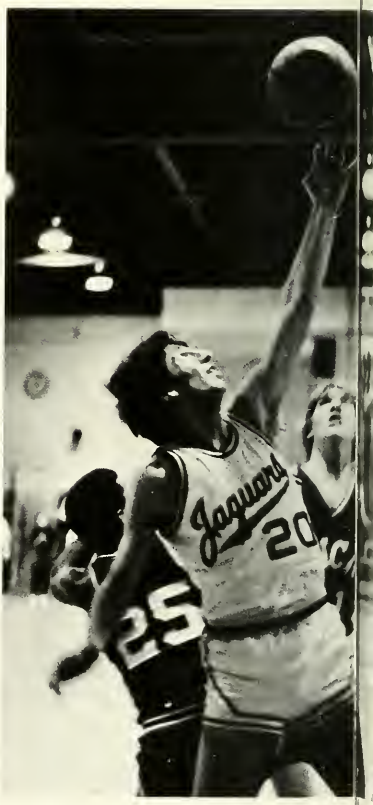


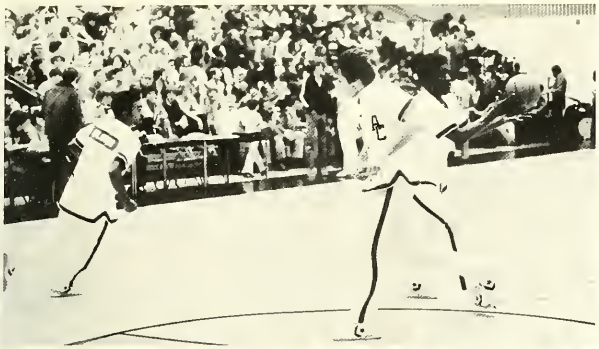


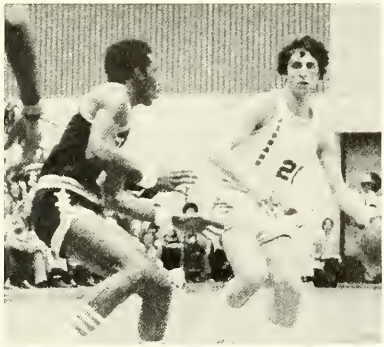
Brad Usry is a 6'2" Freshman guard from Augusta, Georgia. Although offense is not Brad's line, he still scored 44 points in 27 games for an average of 1.6 per game. Brad received a position on the starting lineup when

BRAD USRY

DOM PACI







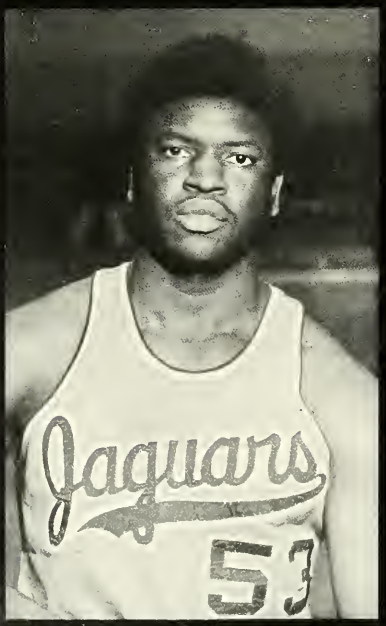
Shaun Bradley was injured and unable to play. With his quick defensive moves, Brad proved himself to be an asset to the Augusta College team. He will be returning next year and the future looks good for Brad.

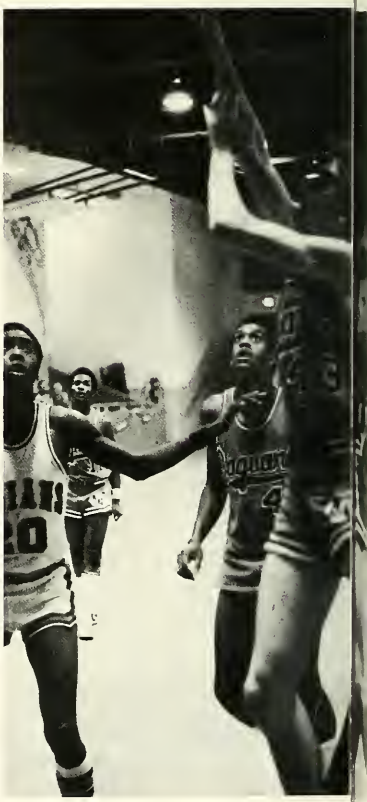
Dom Paci is a 6'3" Freshman Guard from Yonkers, New York. Dom played in 20 games this season and scored 53 points for an average of 2.6 per game. Dom proved himself by coming off the bench and helping the Jags in key situations, such as the Columbus College game where he helped when we were ten points behind. Dom will be returning next year, and should be a great help to the Augusta College team.

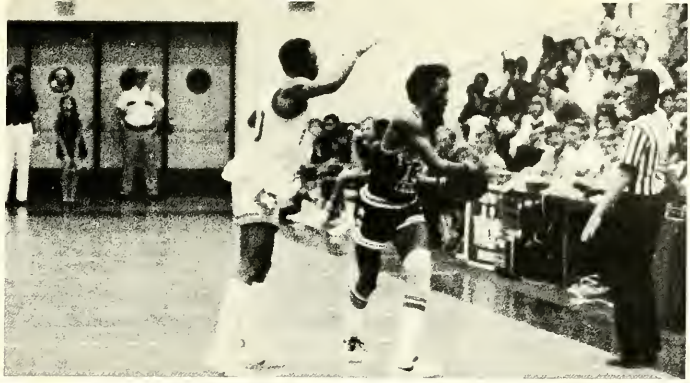
BRIAN SCOTT

Brian Scott is a 6'6" Freshman Forward from Louisville, Kentucky. He played in 24 games this year and scored 76 points for an average of 3.1 for the season. The statistics in this case can not show the good Basketball that Brian played when he was in key situations. Brian won the West Georgia game for Augusta College when he scored the final two points of

JOHN ADAMS







the game with only three seconds remaining in the game. With his good offensive moves Brian has a promising future at Augusta College.

John Adams is a 6'4" Senior forward from Augusta, Georgia. John playing in 9 games this season averaged 1.5 points per game. He started playing on the Augusta College Basketball Team after a two year lapse of not playing basketball. John came off the bench whenever Coach Vanover needed him, and played great on offense and defense. John will not be returning next year and the Jags will miss him.

Glenn Glover is a 5'8" Freshman guard from Augusta, Georgia. If anyone ever said that someone had to be tall to play good basketball, then they had better take a look at the quick moves that Glenn put on the opposition. Coming to the Augusta College Basketball Team in the middle of the season, Glenn became one of the highlights of the games that he played in. His movements were fast, quick, and precise.

GO LADY JAGS!

Cindi Branch, the other original Lady Jag remaining, is a 5'6" senior guard from Jackson, South Carolina. As one of the original team members, Cindi helped women's sports grow at Augusta College. She shot 41% from the floor, and 47% from the charity line, and had a total of 194 points. Her rebounds totalled 35.

CINDI BRANCH

SHERIE BELL

ANOTHER VICTORY!

Sherie Bell is a 5'9" senior forward from Ridge Springs, South Carolina. Sheri is one of two original Augusta College Lady Jags left on the team. Both she and Cindi Branch finished their four years of college and four years of basketball at the same time. Sheri started out the first year Augusta College had a women's basketball team. This year, she shot 49%from the floor and 55% from the charity line. Very aggressive under the boards, she pulled down 134 rebounds for the season. Sherie has been a great asset to the Lady Jags, and she will surely be missed next season.

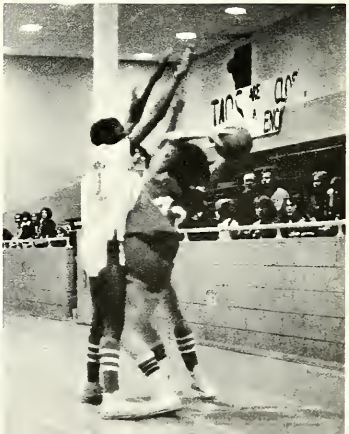
LADY JAGS

Pam Grissom is a 6' freshman forward from Warrenton, Georgia. Pam took charge of the rest of the statistics as she walked away this year with 117 rebounds to her credit, making her the leading rebounder, offensively. She also took the lead defensively with 197 rebounds, giving her a total of 314 rebounds for the season. She averaged 15.7 rebounds per game. Pam came right behind the leading scorer and scored 405 points from the floor, and 155 points from the the charity line. Pam will also be returning to the Lady Jags next year.

PAM GRISSOM

BETH McKIE

Beth McKie is a 5'5" freshman guard and forward from North Augusta, South Carolina. What can one say about someone who proved to be one of the biggest—if not the biggest—assets to the team? Beth was the leading scorer with a total of 412 points and the highest average, 20.6 per game. She was a hit at the charity line, shooting 78%, as well as from the floor, shooting 53%. Beth, believe it or not, is a freshman and the Lady Jags will certainly look forward to seeing her familiar face next year.

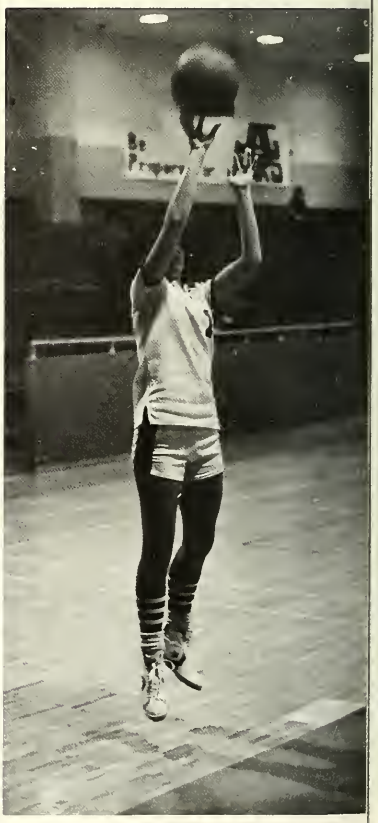


LADY JAGS

LuAnn Parks is a 5'8" freshman forward from Lincolnton, Georgia. LuAnn shot 45% from the floor and 46% from the charity line, giving her a total of 163 points in 19 games. With 150 rebounds to her credit, the Lady Jags should be looking for lots of good things from LuANn in the future.

LUANN PARKS

VICKI ABBOTT



Vicki Abbott is a 5'2" sophomore guard from Augusta, Georgia. Vicki played in 19 games and averaged 38½ from the floor and 73⅓ from the charity line.

LADY JAGS

Sheree Tesch is a 5'10" sophomore forward from Hephzibah, Georgia. She played 16 games, and shot 38% from the floor and 64% from the charity line. Sheree scored a total of 58 points and made 88 rebounds.

SHERIE TESCH

JULIE RABUN

Julie Rahun is a 5'10"sophomore forward from Thomson, Georgia. She scored 30 total points in the 14 games she played. Julie shot 38% from the floor, and 56%from the charity line, and she made 40 rebounds.

Maureen Mulherin is a 5'5"forward and guard from Augusta, Georgia. In the 10 games this freshman played, she shot 11% from the floor, 57% from the charity line, and scored a total of 6 points.

February 3, 1978 seemed like any other cold windy day at 8:00 o'clock in the morning, but two hours later, it was pretty obvious that something was going on in the dirt parking lot behind the Fine Arts building. BY 10:30 colorfully decorated cars were milling about trying to find their starting positions; and by 11:00 o'clock the first floats and displays were rolling in. Scarcely ten minutes later, one bus after another unloaded countless high school participants, and by 12:00 o'clock almost everyone was in readiness. At 1:00 o'clock, only one hour late, a strange procession, headed by President Christenberry, started to move; the 1978 Homecoming Parade was under way.

Lunch hour traffic got a rude surprise when the line of enteries rumbled off campus and on to Walton Way, completely blocking traffic going into town. The Homecoming candidates, most of them in convertables, sat straight and proud, trying to look comfortable in a blasting icy wind that turned their cheeks and noses a rosy pink. A few of the entries, particularly marchers, had difficulty negotiating the Bon-Air hill, but a very successful parade found it's way, without mishap, to the Sears' parking lot, and none seemed to notice that there wasn't a single band in the procession.

1977 Homecoming Queen; Teena Cunningham and her escort Brian Wilson

Saturday, February 4, 1978, 8 P.M. at the Augusta College Gym

It was the night of Augusta College's Homecoming Game; the Jaguars were hosting the Columbus College Cougars, and the building was filled to capacity.

A.C. dominated the first twenty minutes of play and cleared the floor for the Homecoming Presentation with a comfortable lead. The Jags seemed to have the game well in hand, although Eddy Mens had picked three first half fouls. Darrell Holder rammed home a total of four dunks, and Pete Eason put on his usual sharp-shooting display and hit the last basket of the half as the buzzer sounded.

Half-time Score: Augusta College 39
Columbus College 32

John deBack, president of the Student Government Association, was master of ceremonies, and opened the half-time activities with a welcome to those present.

The awards for Homecoming Parade were presented by Amy Chance in lieu of Louis Navarro, who had gotten locked out of the gym.

John deBack then introduced the homecoming candidates, their escorts, and the 1977 Homecoming Queen, Teena Cunningham and her escort Brian Wilson.

Amy Chance presented awards to the first and second runners-up, and President Christenberry crowned Denise Hodgens as 1978 Homecoming Queen. Denise was presented with an Alumni Association gift by John Trulock.

Jack Pruett made the presentation of a gift to Coach Marvin Vanover.

Music was provided by the Augusta College Pep Band under the direction of Dr. John Scott.

After twelve minutes of play in the second half, the Jaguars held a twelve point lead; but A.C. miscues and cold shooting combined with a Columbus College hot streak to narrow the lead to 68-65. Eddy Mens committed his final foul and the Cougars tied the game at 68 with a tip-in. Columbus made a play under the basket to acquire a 70-68 advantage. The Jaguar pride had been hurt as they exploded up the court for the tying basket. The shot rimmed the hoop, and fell away to be picked up by the Cougars with fifty-two seconds remaining. Columbus went into a delay game, but Pete Eason forced a turnover, and Coach Vanover called a time-out.

The restless crowd watched, near disbelief as Pete Eason, the human scoring machine, missed a long jumper from the wing. The final buzzer showed a 74-69 Columbus victory, and the dazed crowd quietly filed out into the crisp night wondering what had gone wrong. Time had simply run out for the Jags.

To Suzi Martin and Debra Moorehead,
You're two of the most wonderful people I've ever known, and there is a special place in my heart for each of you. Think kindly of Augusta, and whenever you think of Augusta College, remember me (I'm probably still there). Good luck and best wishes for the future.
With All My Love,
Louis R. Navarro III

DEDICATION

WILLIAM HERMAN RODIMON
NOVEMBER 8, 1912 - MARCH 11, 1978

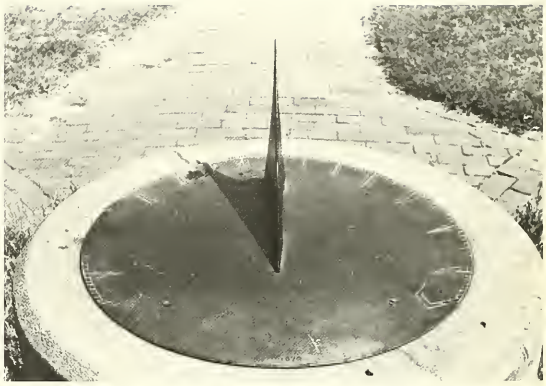
William H. Rodimon, a native of Springfield, Massachusetts, joined Augusta College in 1971 as director of college and public services. Shortly after his arrival, he began work on the reorganization of the Augusta College Alumni Association. The fruits of his efforts can be seen today in a viable, strong and contributing Association. Membership has grown from approximately 1,000 to almost 6,000, and donations increased from $1,488 to more than $30,000. If one person had to be singled out for the success of the Alumni Association over the years, it would have to be "Bill" Rodimon. It was under his leadership that a communications link was established with alumni through their own newspaper and a series of informative letters. He started the concept of a year-round Alumni Fund and saw the fruition of a new college and alumni position, coordinator of alumni affairs. Also during his tenure, the college acquired an alumni center, the Maxwell Alumni House, willed to the College by the late Robert Jefferson Maxwell.

He earned the B.A. degree in 1936 and the M.A. degree in 1939 from the University of Alabama and remained steadfastly loyal to his alma mater all his life. He taught in Marengo County (Alabama) public schools from 1938 to 1942. He then joined the Marion Institute in Marion, Alabama, where he spent the next 26 years of his life serving in a variety of positions, including instructor, commandant of cadets, business manager, director of alumni affairs, public relations and development. In 1968 he accepted the position of president of Georgia Military College in Milledgeville.

A civic-conscious individual, Mr. Rodimon served the local community in a number of ways. He was secretary of the Rotary Club of Augusta, member of the Red Cross Board of Directors, Greater Augusta Chamber of Commerce, the Heart Association, and the Richmond County Time Capsule Committee. He served as vestryman and layreader of the Good Shepherd Episcopal Church and was a member of the Diocesan Council of the Diocese of Georgia.

His survivors include his widow, Inez Gates Rodimon, Augusta; a son, Stanley James Rodimon, New Orleans, La; two daughters, Margaret Elizabeth Pounds, Milledgeville, and Edith Ellen DeAngel, Augusta; and one sister, Mrs. Wallace Card, Framington, Mass.

BELLEVUE HALL



All the photographs on pages 206 and 207 were taken by Mr. Roscoe Williams.

The 1978 White Columns was scheduled to be delivered during May of 1978 with 1400 books at a cost of $15,490.00. Although the cost and volume have remained the same, it is now August 23, 1978, the middle of break, and I am just finishing up.

Augusta College is a way of life for me, and when classes are over, and everybody is gone, I feel an aching emptiness. Debbi is gone too, her work is done, and all that is left is me.

As I finish my work, I get up and look around, but all is still and silent. Outside, things are no better; the dizzying heat and my nervous awareness make it difficult to breath evenly. However, my anticipation is wasted, for there is not a living thing in sight. So I make my way with slow uncertain steps toward my dirty white van, which sits by itself in the corner of a vacant parking lot.

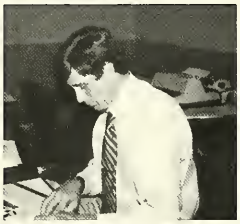
In spite of the many nights I have spent by myself putting this book together, I've never felt more alone than I do now. They'll be back though, they'll be back; I keep telling myself, they'll be back.

Louis R. Navarro III
Assistant Editor
1978 White Columns

Nancy Carter was my talented and determined Editor. In spite of holding down two jobs, this capable lady cranked out the opening, student, and sport sections, before other difficulties caused her to drop out of the scene after Winter Quarter.

Wilma-Olivia Hobbs was my Layout Editor, and although I lost her after Fall Quarter, she made some very notable contributions; particularly in the opening and faculty sections.

Bob Williams was the photographer who took most of the faculty and club shots. He was extremely dependable and thorough in spite of the fact that he left after Fall Quarter.



John James was my yearbook representative. About the beginning of Summer Quarter, it was unanimously decided that the yearbook was in trouble. From that time on, John remained in close contact; advising, and at times, taking the whole day to help layout and draw the book.

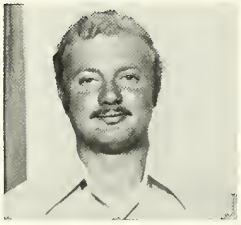
Jim Primis was my Photo Editor. He left after Winter Quarter, but usually remained on call.

Roscoe Williams was my Faculty Advisor, and although he was indispensable at times he was quite impossible at others. His dedication was unmatched, as Christmas and Spring breaks found him in the photo lab developing pictures.

Jim Haney was my sports photograher. Although he left after Winter Quarter, his basketball coverage was excellent.

Jim Bufford was really a free lance staffer whose main responsibility was to design and take pictures for the ROTC section.

Have you ever seen an angel? This is what one looks like. Debbi Ginsburg joined me at the beginning of Summer Quarter; and together, working five hours a day, five days a week, we completed the last two-thirds of the book. Debbie received neither title nor compensation for her labors, and has gained my eternal admiration and gratitude.



And this was me, Louis Navarro, at Augusta College in that grand year of 1978.

I would like to thank the people listed above, the Bell Ringer, and the Student Activities office for their assistance in completing this book. I would also like to thank Jill Weaver for selling all those adds.
